For an electronic copy of the form, go to [Rmclds1.med.utah.edu](http://Rmclds1.med.utah.edu), follow the Participant link to Annual Meeting 2004. The document is in PDF format. After filling out the form, save it and email it to [LF11@utah.edu](mailto:LF11@utah.edu) with Annual Meeting in the subject field.

## Collaborative Stage

The collaborative stage field is now available in Rocky Mountain FORDS on Screen 90. If you would like this filed in a specific place on your abstract screens, email David at [david.fawcett@m.cc.utah.edu](mailto:david.fawcett@m.cc.utah.edu) with instructions on where you would like the field.

## Update Abstract Screen

Abstract screens can now be updated automatically through Rocky Mountain. From the Main Menu, go to File > Software Updates, choose the bullet Update Abstract Screen (vly.00), and click Run. If the update does not work the first time, run the update again and your Abstract Screens will be updated.
